

Resolution adopted by the General Assembly

[without reference to a Main Committee (A/66/L.56)]

66th Session, Agenda Item 19

A/RES/66/288

September 11, 2012

The future we want Rio Plus 20 Conference

167. We stress our concern about the potential environmental impacts of ocean fertilization. In this regard, we recall the decisions related to ocean fertilization adopted by the relevant intergovernmental bodies, and resolve to continue addressing ocean fertilization with utmost caution, consistent with the precautionary approach.
